### **Project: CROSS BORDER FIRESHIELD**

Two fruitful meetings were held today by the staff of Caritas of South Albania and Cërrik Municipality in the framework of the "Crossborder - Fireshield" project, IPA 2021/429-446.

In the first encounter, we met the director of the Local Education Office, with whom we discussed the awareness campaign that will be held in all elementary schools of the municipality, as well as the equipment of the three schools with the fire alarm system.

The director has assured us of her full support and has called both of these activities important for increasing security in the schools.

In the second meeting, we discussed with the head of the Cerrik fire station, in regards to the formation of the group of volunteers and the kit composition with basic tools for volunteers.

This project is funded under IPA II call, CBC, Europe Aid/170339/DD/ACT/MK
